RE: CITY OF EMERYVILLE ADOPTED HOUSING ELEMENT

Dear Ms. Bates:

The City of Emeryville is pleased to provide the enclosed 2015-2023 Housing Element for your review and certification. The Housing Element was adopted by the City Council on November 18, 2014. Enclosed please find the adopted document. We will forward a copy of the signed adoption resolution as soon as it is available.

The City worked closely with James Johnson and Paul McDougall through HCD's initial review of the draft to achieve conditional compliance. The only change to the document since HCD's initial review has been to revise the preservation quantified objective, a change made at the request of Mr. McDougall.

Please let me know if you have any questions during your final review of the City's Housing Element. Thanks very much!

Sincerely,

Kim Obstfeld, PMC
