**INFORMATION FOR MEETINGS DURING AN OFFICIALLY DECLARED STATE OF EMERGENCY UNDER ASSEMBLY BILL 361 (effective until the state of emergency is lifted by the Governor):**

Pursuant to California Assembly Bill 361, a local legislative body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body during the current health emergency. As such, the Planning Commissioners will be participating in the Planning Commission meeting via teleconference, and the Commission will provide various options for the public to participate in the conduct of the meeting remotely.

The Commission will further adhere to the means otherwise prescribed by the Brown Act, which allows members of the public the right to observe and offer public comment during the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, the Commission will use sound discretion and make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

The Commission offers many ways for you to watch and participate in Planning Commission matters without attending a meeting in-person. Planning Commission meetings are streamed live on Emeryville TV at [www.emeryville.org/104/Planning-Commission](http://www.emeryville.org/104/Planning-Commission). Additionally, public comment for Commission agenda items can be submitted online via our online speaker card at [www.emeryville.org/104/Planning-Commission](http://www.emeryville.org/104/Planning-Commission). Written comments can also be submitted by email to [plancomm@emeryville.org](mailto:plancomm@emeryville.org), or to the Community Development Director, Charles S.
