Demolition of existing house requires City Council approval of project following Planning Commission recommendation.</p>  | <p>On March 22, 2007, Commission deadlocked 3-3 on project, with one recusal, so application went to Council without a Commission recommendation. On April 17, 2007, Council approved project 4-0 with one recusal. Council approved one-year extension request on January 20, 2009. Council considered second extension request on April 20, 2010 and directed that ordinance be modified to allow demolition of existing house prior to issuance of building permit for replacement structure. Revised ordinance was passed on September 21, 2010 and took effect October 21, 2010. Planning Commission considered extension request, and new finding allowing demolition of existing house, on December 9, 2010, and voted to recommend denial to City Council. City Council held public hearing on January 18, 2011 and continued it to February 1, 2011, at which time they voted to approve extension to April 17, 2011, but not to allow demolition of existing house until building permit for replacement structure is ready to issue. Resolution to this effect was passed February 1, 2011. Building permit applications submitted on January 18, 2011; extended to July 18, 2012 by Chief Building Official on November 21, 2011.</p> |  |
